Re: Class II Permissive Change

Gentlemen:

The purpose of the attached materials is for a Class II Permissive Change to the Terabeam Marquee Bridge (FCC ID NM5-MB-HP).). It is a spread spectrum transmitter that operates in the range 5725-5850MHz. The change is the addition of a new omnidirectional antenna to the list of available models.

Sincerely,

A handwritten signature in black ink, appearing to read "Evan Gould", is written over a thin, curved line that serves as a baseline for the signature.

Evan Gould
