To: To whom it may concern

From: John Dorsey

Subject: Part 90 submittal of our DAS8M-4IDEN-W system

I have electronically submitted to the FCC what I believe are all of the necessary documents for approval of our modified 800 MHz Distributed Antenna System. All items were submitted under the following identifiers:

Form 731 Confirmation Number: EA97154

FCC ID: NOODAS8M-4IDEN-W

Please Note: Our company address has changed. Please note this change for both our current submittal and for our previous approvals. The new address is as follows:

LGC Wireless Inc.
2540 Junction Ave.
San Jose, Ca. 95134-1902

Our modified phone and fax numbers are:

Tel: 408-952-2400
Fax: 408-952-2410

I hope that everything is found to be in order. If not, or if you have any questions, please contact me.

Thanks for your time.
