

Model difference letter

Nov. 12, 2014

Dear PHONIEX Reviewer,

This is a new Application from **PC Partner limited**

ZBOX-PI320, ZBOX-PI321 and ZBOX-PIzzz(z=A-Z or 0-9) are identical in interior structure, electrical circuits, appearance, and different in model name.

Significance of X represented by: Since sold to different countries, different end customers. Customers use other models to distinguish these differences.

Thank you for your cooperation!

Yours sincerely,

Signatory:
