Attention: Greg Czumak

SUBJECT: Request for Confidentiality
FCC ID: NQE 1005

Dear Greg:

In accordance with § 0.459 of CFR 47, World Wireless Communication request confidentiality for the following items:

1. Technical Description
2. Block Diagram and Schematic Diagrams

These items contain detailed system and equipment description and related information about the product which World Wireless Communication considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, World Wireless Communication also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Best regard,

Stuart Biddulph
Vice President - Engineering
