

IMPORTANT:

Jetscream has a digital speed Control. To make the car go faster, move the accelerator lever from neutral to forward and back again several times. The car will go faster with each movement of the lever.
See instruction Manual for details

FCC ID: NS613963-49

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.
