Falls Church, VA 22046

Subject: Request for a Change in Identification per section §2.933 of the FCC rules

TO WHOM IT MAY CONCERN,

STMicroelectronics (Rousset) SAS (STMicroelectronics) hereby authorises Brady Corporation (Brady), with FCC Grantee Code NUC, to market the following STMicroelectronics product under Brady's own identification. Changes/filings made by Brady will have no bearing on the original STMicroelectronics formal name module certifications. The radio module supplied is unmodified and the original test results continue to be representative of what is being provided/sold to Brady (grantee).

The original grants to STMicroelectronics SAS for these FCC IDs will remain in effect.

Product:

- Original Identification: FCC ID: YCP-STM32WB5M001
- Original Grant Date: 10 August 2020

This letter does not constitute any representation or warranty by STMicroelectronics or any of its affiliates, and STMicroelectronics hereby disclaims any and all liability of any kind in connection with the contents hereof.
