

986-50-330

986-50-330

A black electronic device is mounted on a light-colored wooden block. The device features a circular dial on top and a rectangular slider on the side. A black handle is attached to the back of the device. A white label with the number '986-50-330' is affixed to the front of the wooden block. The entire assembly is set against a solid blue background.
