Subject: Response to Correspondence Ref # E04-000041-1

All non-comformities have been addressed.

Item 1. A signed CKC CS general agreement has been faxed to you.

Item 2. An exhibit has been uploaded to address this item. Refer to exhibit described as Theory of Operation.

Item 3. Refer to the new test report exhibit, which has been uploaded.

Item 4. No action was required for this item.

Item 5. An exhibit has been uploaded to address this item. Refer to exhibit described as FCC Labelling.

Items 6, 7, & 8. An exhibit has been uploaded to address all these items. Refer to exhibit described as User's Manual Addendum.

Item 9. An exhibit has been uploaded to address this item. Refer to the test report exhibit described as Signal Rejection Test Data.

In addition, the manufacturer has provided a letter attesting to the fact that the unit does not receive Cellular Radiotelephone Service Signals and that it cannot be modified to do so. Refer to the Cover Letter Exhibit.

Thank You
