Subject: Authorization and Request for Confidentiality

Reference: CSI Model DSP85-1W-P Frequency Programmable Repeater (FCC ID NVRC SI-DSP85-1W-P)

Dear Sir or Madam:

Cellular Specialties, Inc. hereby authorizes Retlif Testing Labs of Goffstown New Hampshire to operate on its behalf in the matter of FCC approval of the CSI Model DSP85-1W-P Frequency Programmable Repeater (FCC ID NVRC SI-DSP85-1W-P). Retlif Testing Labs is authorized to file the necessary forms, exhibits, and fees required to facilitate this application.

Cellular Specialties, Inc. respectfully requests that the schematic diagrams, block diagram, bill of materials, and circuit descriptions submitted with the application for certification under FCC ID NVRC SI-DR610-P be withheld from public disclosure. This request is made under the provisions of Section 0.457 (d) of the Commission's rules and Section 0.552 (b) (4) of the Freedom of Information Act. This product has been developed at considerable expense, and disclosure of this information would place Cellular Specialties, Inc. at a competitive disadvantage. Thank you for your attention to this matter.

There is no field tune up procedure for the referenced unit/model.

Sincerely yours,

Corey Dutton
Project Manager
Cellular Specialties, Inc.
