

EXHIBIT 1

PROPOSED FCC LABEL AND ITS LOCATION

LABELING REQUIREMENT FOR USA
FCC CLASS B DEVICE CERTIFICATION / NOTIFICATION

The unit should have a permanently attached label in a conspicuous location with the following statement:

FCC ID: *NXu 868701*

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference and
- (2) this device must accept any interference received,
including interference that may cause undesired operation.

NOTES:

1. The FCC does not specify the size of the label or the lettering thereon. The only requirement is that the text be legible.
2. If the entire label can not be placed on the unit due to space constraint (e.g. Pacemaker), only FCC ID may be displayed on the unit. In such cases, the compliance statement will have to be included in the "instruction to the user."

**** If the unit also interfaces with phone line, it requires additional information on the label - refer to part 68 information ****
