

Applicant:

Trimble Europe BV

Industrieweg 187a 5683 CC Best, The Netherlands

Applicant certifies that the original FCC ID product and the new FCC ID product are identical.

Original model reference: MODE, CELL, 4G, PLS62-W

Original manufacturer: Gemalto (a Thales company)

Original FCC ID: QIPPLS62-W

New FCC ID: NZI-120271

No modifications have been performed to this cellular modem PLS62-W compared to the cellular modem PLS62-W originally granted under FCC ID: QIPPLS62-W. The original results remain applicable and representative of this new FCC ID device:

Product references	Manufacturers	FCC ID
PLS62-W modem	Gemalto	QIPPLS62-W
PLS62-W modem	Trimble Europe BV	NZI-120271

The NZI-120271 device is used in the SP90m (Spectra Geospatial) and MPS85 (Trimble) products.

Joel Hamberg Magnusson

Compliance analyst

A handwritten signature in blue ink, appearing to read "Joel Hamberg Magnusson", written over a horizontal line.
