SUBJECT: Request For Confidentiality
References: A) FCC ID: O2E-ICARD-NA

To Whom It May Concern:

Further to the device approval identified at Reference A, IDENTEC SOLUTIONS hereby submits a class II permissive change requesting confidentiality for portions of the material contained in the original application granted on 6 October 2000.

Pursuant to Section 0.459 of the Commission's rules (CFR 47), the following documents are requested to be removed from public inspection following the processing of this change request:

Exhibit Type	Description of Exhibit	Date Submitted to FCC
Users Manual	Manual	10/06/2000
Block Diagram	block diagram	10/06/2000
Internal Photos	internal photos	10/06/2000

These exhibits contain IDENTEC SOLUTIONS' proprietary information, trade secrets, or other confidential information that IDENTEC SOLUTIONS does not make available to the general public.

IDENTEC SOLUTIONS requests confidentiality for the internal photos as this device is only sold to business clients upon signing a non-disclosure agreement stating that they will not disclose any confidential product information.

Please note that the Users Manual submitted was a preliminary revision containing block diagrams. IDENTEC SOLUTIONS has never provided this document to any client and will be pleased to submit a current revision, which does not contain information of a confidential nature.

IDENTEC SOLUTIONS protects all of its proprietary, intellectual property rights and confidential information by requiring all of its employees and all other recipients of such information to sign confidentiality and non-disclosure agreements prior to receiving such information.

If you have any questions or concerns relating to this change request, please do not hesitate to contact me via telephone at (250) 860-6567 or email (mbrooks@identecsolutions.com).

Yours truly,
IDENTEC SOLUTIONS, Inc.
