

Herstellereklärung Manufacturer 's declaration

Hersteller/Manufacturer: ACD Elektronik GmbH
Engelberg 2
88480 Achstetten
Germany

We hereby declare that the RF module described below is exclusively installed by the Grantee in other devices.

The RF module is not marketed to OEMs or to third parties for integration purposes.

The RF Module itself is equipped either with an UFL or Molex antenna connector that complies with §15.203. Due to the fact that the two certified external antennas will be connected using an UFL/MCX-to-SMA adaptor cable, the integration is limited to professional installation, here by ourself into our own host devices (no-consumer devices).
