

Explanation to the SAR evaluation in this filing:

The FCC ID for the product(s) filed under this application is: O34-I7770BT2

The SAR report no IVI-140-A-SAR for Ingenico model i7770 shows FCC ID: O34-I7770HH however this SAR report is valid for the product filed under FCC ID: O34-I7770BT2

The SAR report no IVI-140-B-SAR for Ingenico model i7780 shows FCC ID O34-I7780HH however this SAR report is valid for the product filed under FCC ID: O34-I7770BT2

The SAR values in both SAR reports mentioned above are for a hand held devices using the same radio. Since the measured values are deviating, the tests have been repeated in SAR evaluation report no. IVI_140_VERI_SAR in order to confirm that the deviating SAR values are indeed correct.

SAR evaluation report for Ingenico model i7770 and i7780 show respectively FCC ID: O34-I7770HH and FCC ID: O34-I7780HH, however this SAR evaluation report is valid for the product filed under FCC ID: O34-I7770BT2
