Review engineer
FCC Laboratory
Federal Communications Commission
7435 Oakland Mills Rd
Columbia, MD 21046

Date: 10-23-02

Sub: Tungsten T user manual declaration

Ref: FCC ID # O3W550000

This is to declare that the following information will be part of our next revision of our getting started user guide:

IMPORTANT NOTE:

To comply with FCC RF exposure compliance requirements, this device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter. The user of this device should ensure that the operation of this device is in compliance with these provisions

If there is any question with this, please contact me.
