

A black, handheld electronic device, possibly a remote control or a small portable device, is shown against a light gray background. The device has a rounded, ergonomic shape. At the top, there is a small, cylindrical protrusion. A white rectangular label is affixed to the upper front of the device, displaying the text "FCC ID : O44J1WENR". Below the label is a large, dark, rectangular area that appears to be a screen or a sensor. At the bottom of the device, there is a small, circular hole and a recessed area that looks like a button or a port.
