

A black, handheld electronic device, possibly a mobile phone or a specialized communication device, is shown against a light gray background. The device has a rounded rectangular shape with a small antenna protruding from the top. A white label is affixed to the front, displaying the text "FCC ID : O44JR1800F447". Below the label is a dark, semi-circular area, and at the bottom center, there is a small, circular lens or sensor. The device casts a soft shadow to its right.

FCC ID : O44JR1800F447
