

Get it to work

Note: The keyboard folio is an optional part and may not come with your computer.

Connect to electrical outlet the first time you start the computer.
Caution: All plugs must be firmly and securely inserted into receptacles.

3. Windows

Set up Windows, network connection, and login account.

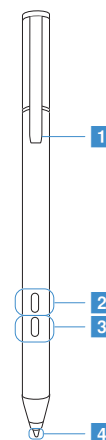

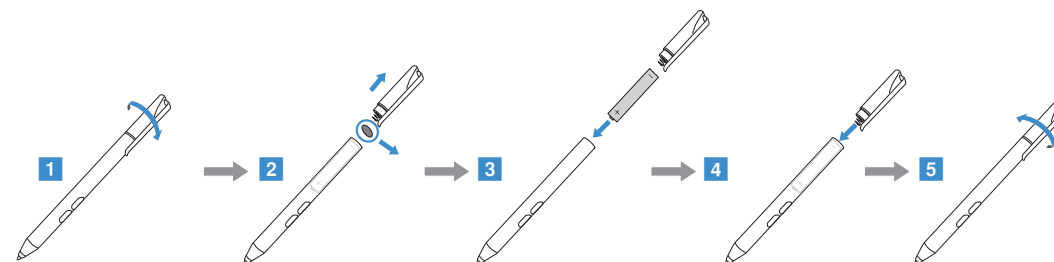

The *User Guide* PDF can be started from the Windows desktop.

Go to <https://support.lenovo.com> to view documentation and other support information for your product.

The Lenovo Pen

Remove the insulation pad before first use

- 1 Clip
- 2 Top button
- 3 Bottom button
- 4 Tip

Note: The Lenovo Pen is an optional part and may not come with your computer. The function of the buttons varies depending on the application that is used. Refer to the *User Guide* for details.

Safety information

Additional safety information is provided in the *User Guide* for your product.

Plastic bag notice

CAUTION:
Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

Built-in rechargeable battery

DANGER
Do not attempt to remove or replace the built-in rechargeable battery. Replacement of the battery must be done by a Lenovo-authorized repair facility or technician.

Using headphones or earphones

CAUTION:
Excessive sound pressure from earphones and headphones can cause hearing loss. Adjustment of the equalizer to maximum increases the earphone and headphone output voltage and the

sound pressure level. Therefore, to protect your hearing, adjust the equalizer to an appropriate level.

Excessive use of headphones or earphones for a long period of time at high volume can be dangerous if the output of the headphone or earphone connectors do not comply with specifications of EN 50332-2. The headphone output connector of your computer complies with EN 50332-2 Sub clause 7. This specification limits the computer's maximum wide band true RMS output voltage to 150 mV. To help protect against hearing loss, ensure that the headphones or earphones you use also comply with EN 50332-2 (Clause 7 Limits) or a wide band characteristic voltage of 75 mV. Using headphones that do not comply with EN 50332-2 can be dangerous due to excessive sound pressure levels.

If your Lenovo computer came with headphones or earphones in the package, as a set, the combination of the headphones or earphones and the computer already complies with the specifications of EN 50332-1. If different headphones or earphones are used, ensure that they comply with EN 50332-1 (Clause 6.5 Limitation Values). Using headphones that do not comply with EN 50332-1 can be dangerous due to excessive sound pressure levels.

Warranty Information

Machine Type	Country or region of purchase	Warranty period	Types of warranty service
81F1	Mainland China	Parts and Labor-2 year Battery Pack-1 year	1, 4
	USA, Canada, Japan	Parts and Labor-1 year Battery Pack-1 year	1, 3, 5
	Mexico		1, 3, 4
	Australia, United Kingdom, France, Germany, Italy, Spain, Denmark, Finland, Estonia, Sweden, Norway		1, 3
	Korea		3, 4
	India		1, 4

1. Customer Replaceable Unit ("CRU") Service
2. On-site Service
3. Courier or Depot Service
4. Customer Carry-in Service
5. Mail-in Service
Refer to the *User Guide* for details about the warranty service.

Lenovo support telephone numbers

The telephone list for the Lenovo customer support centers is available at: <http://www.lenovo.com/support/phone>.

Recycling and environmental information

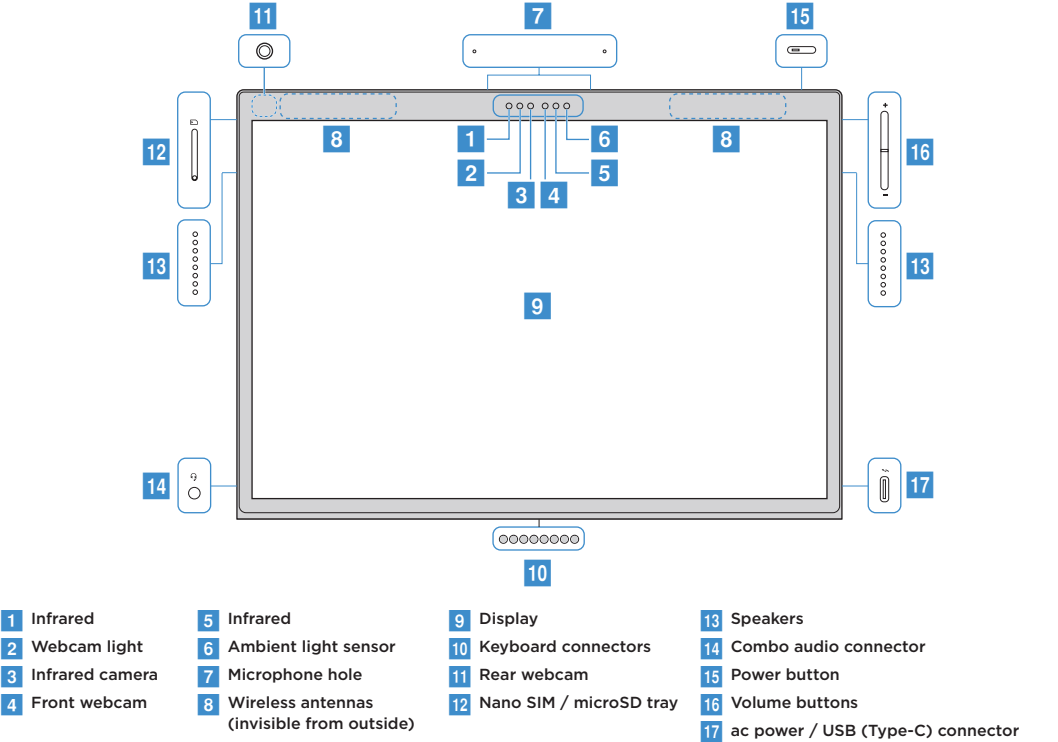

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed.

Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products.

For information on recycling Lenovo products, go to: <http://www.lenovo.com/recycling>

For additional recycling and environmental statements, refer to your *User Guide*. The latest environmental information about our products is available at <http://www.lenovo.com/ecodeclaration>.

Overview

Important battery and WEEE information

Batteries and electrical and electronic equipment marked with the symbol of a crossed-out wheeled bin may not be disposed as unsorted municipal waste. Batteries and waste of electrical and electronic equipment (WEEE) shall be treated separately using the collection framework available to customers for the return, recycling, and treatment of batteries and WEEE. When possible, remove and isolate batteries from WEEE prior to placing WEEE in the waste collection stream. Batteries are to be collected separately using the framework available for the return, recycling, and treatment of batteries and accumulators. Country-specific information is available at: <http://www.lenovo.com/recycling>

Recycling information for China

《废弃电器电子产品处理管理条例》提示性说明

联想鼓励拥有联想品牌产品的用户不再需要此类产品时，遵守国家废弃电器电子产品回收处理相关法律法规，将其交给当地具有国家认可的回收处理资质的厂商进行回收处理。更多回收服务信息，请点击进入 <http://support.lenovo.com.cn/activity/551.htm>

European Union RoHS

This Lenovo product, with included parts (cables, cords, and so on) meets the requirements of Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS recast" or "RoHS 2").

For more information about Lenovo worldwide compliance on RoHS, go to: <http://www.lenovo.com/rohs-communication>

China RoHS

The information in the following table is applicable for products manufactured on or after March 1, 2007 for sale in the People's Republic of China.

中国有害物质声明

为满足中国电子电气产品有害物质限制相关的法律法规和其他要求，联想公司对本产品中有有害物质，按部件分类，声明如下。

部件名称	有害物质					
	铅(Pb)	汞(Hg)	镉(Cd)	六价铬(Cr(VI))	多溴联苯(PBB)	多溴二苯醚(PBDE)
印刷电路板组件*	×	○	○	○	○	○
硬盘	×	○	○	○	○	○
液晶面板	×	○	○	○	○	○
键盘	×	○	○	○	○	○
内存	×	○	○	○	○	○
电池	×	○	○	○	○	○
电源适配器	×	○	○	○	○	○
底壳、顶盖和扬声器	×	○	○	○	○	○

本表格依据 SJ/T 11364 的规定编制。某些型号的产品可能不包含表中的部分部件。

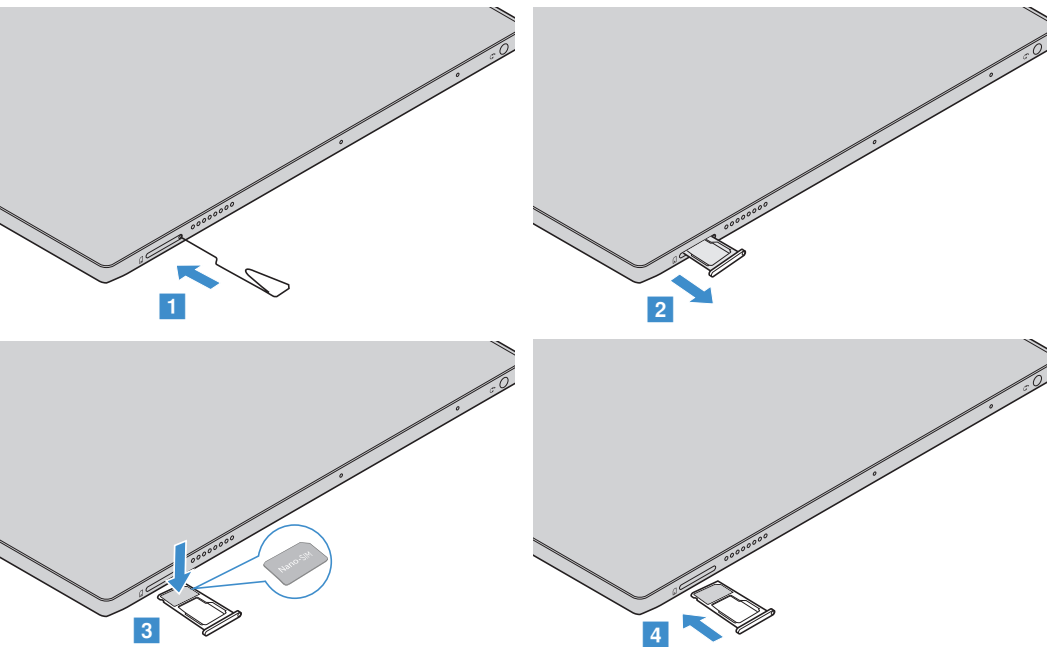

○：表示该有害物质在该部件所有均质材料中的含量均在 GB/T 26572 规定的限量要求以下。

×：表示该有害物质至少在该部件的某一均质材料中的含量超出 GB/T 26572 规定的限量要求。标记“×”的部件，皆因全球技术发展水平限制而无法实现有害物质的替代。

*印刷电路板组件包括印刷电路板及其零部件，电容和连接器等。

在中华人民共和国境内销售的电子信息产品必须标识此标志。圆圈内的数字表示正常使用状态下产品的环保使用期限。

Insert a nano SIM card

Note:

Nano SIM card is typically not supplied with the computer. Consult your local Internet provider for data plan options.

Electronic emission notices

This device has been tested and found to comply with the limits for a Class B digital device. The *User Guide* for this product provides the complete Class B compliance statements that are applicable for this device.

European Union conformity

EU contact: Lenovo, Einsteinova 21, 851 01 Bratislava, Slovakia

Compliance with the EMC Directive

This product is in conformity with the protection requirements of EU Council Directive 2014/30/EU on the approximation of the laws of the Member States relating to electromagnetic compatibility. The full compliance statement is located in the *User Guide*.

Compliance with the Radio Equipment Directive

Hereby, Lenovo (Singapore) Pte. Ltd., declares that the radio equipment type Lenovo Miix 630-12Q35 is in compliance with Directive 2014/53/EU. The full text of the system EU declaration of conformity and the EU wireless module declarations are available at http://www3.lenovo.com/us/en/social_responsibility/EU_DoC_notebooks

The frequency bands and maximum radio-frequency power with which this radio equipment operates is located in the *Regulatory Notice*.

Other compliance information

Select models conform to ENERGY STAR® requirements. Additional ENERGY STAR information is in *User Guide*.
