If the EUT is too small, the FCC statement could be presented in the user manual. Generally, appendix B contains one copy of user manual. The following is one sample of the FCC Statement:

“ This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Privacy of Communication may not be ensured when using the phone.”
