Subject: **User's Manual RF Exposure Warning Statement**

UTStarcom, Inc.
FCC ID: O6YUTS-C2000
Part 22/24 Certification

Gentlemen:

UTStarcom, Inc. hereby confirms that the attached RF exposure warning page will be readily visible to the user, and will be placed at a prominent location in the front section of the user's manual.

Should you have any questions or comments concerning the above, please do not hesitate contact me.

Sincerely Yours,

Subject: FCC E911 Requirements Per §22.921Applicant: UTStarcom, Inc.FCC ID : O6YUTS-C2000Part 22/24 Certification

Gentlemen :

UTStarcom Inc., hereby certifies that the **tri-mode phone** (FCC ID : O6YUTS-C2000), using the Automatic A/B Roaming - Intelligent Retry Method, meets the E911 requirements specified in Section 22.921 of the FCC Rules. This procedure recognizes when a "9-1-1" call is made and, at such time, will override any programming in the mobile unit that determines the handling of a non-911 call and permits the call to be handled by other analog carriers.

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely Yours,

Rick Phung

Subject: **Request for Confidentiality**FCC ID: O6YUTS-C2000Part 22/ 24 Certification

Gentlemen:

In accordance with 0.459 of CFR 47, UTStarcom Inc., hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams attachment, Operational Description attachment, and Part List/Tune-Up Procedure attachment for the above-referenced Certification application.

These documents contain detailed system and equipment description and related information about the product which UTStarcom Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, UTStarcom Inc. feels this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely Yours,

Rick Phung
