

Brand Name: AT&T DIRECTV Model No.: HS17-500

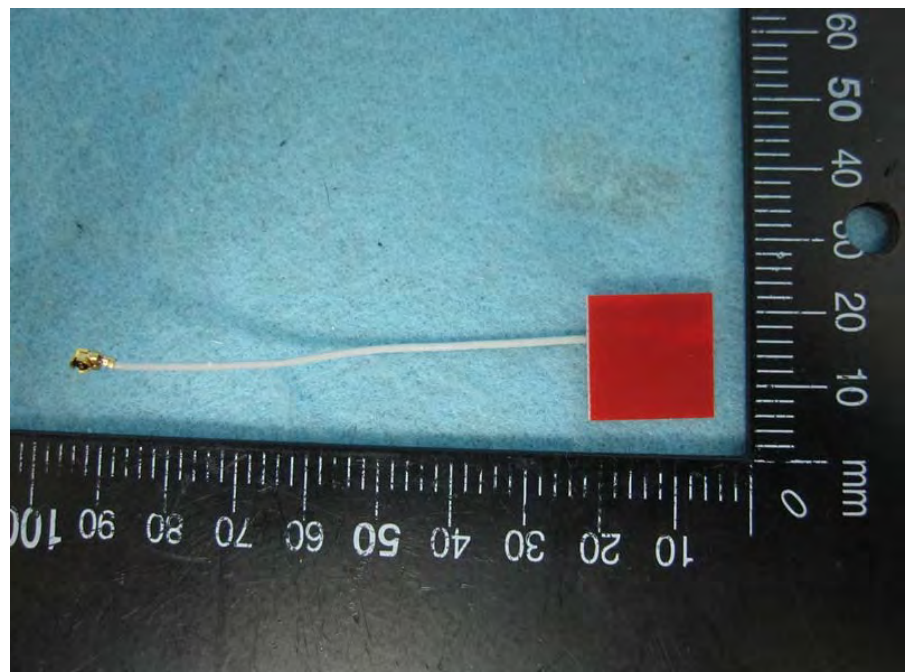

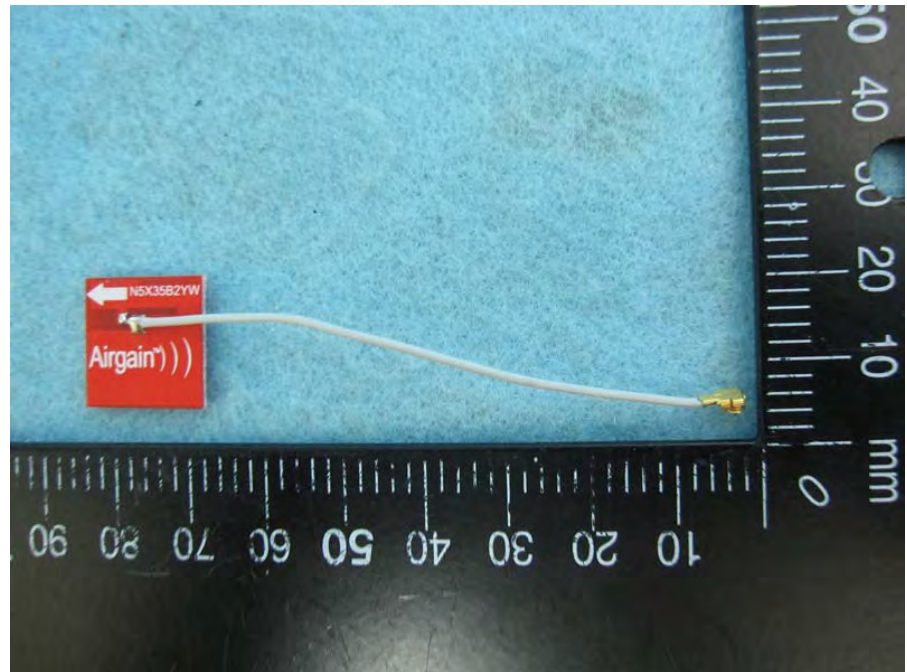

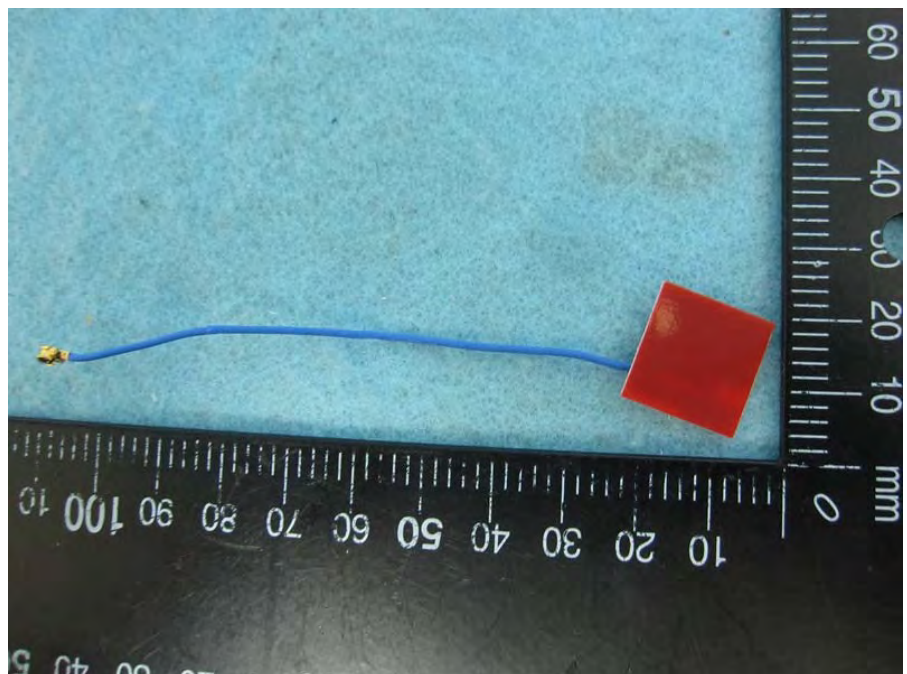

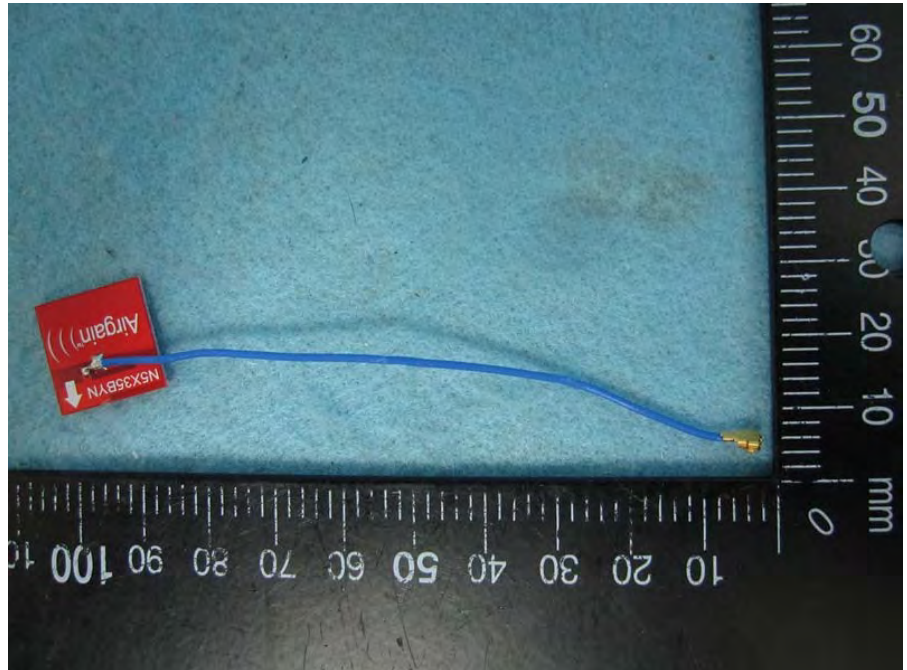

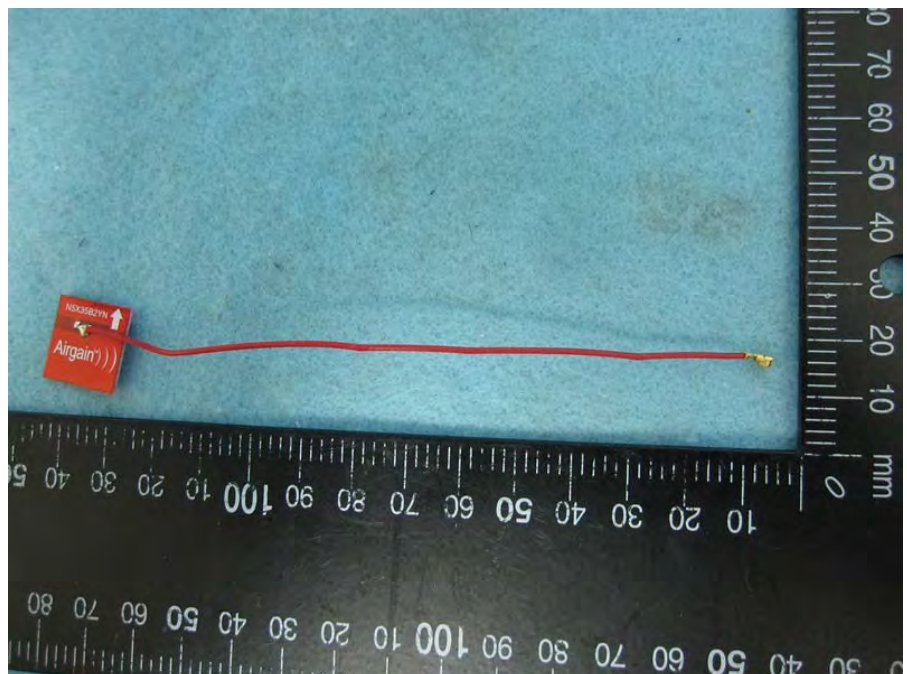

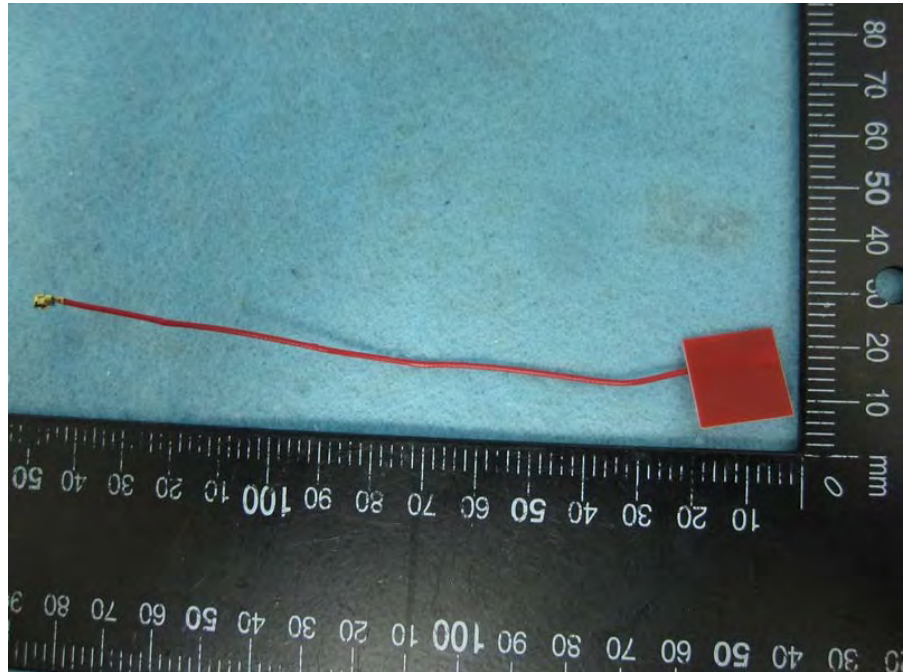

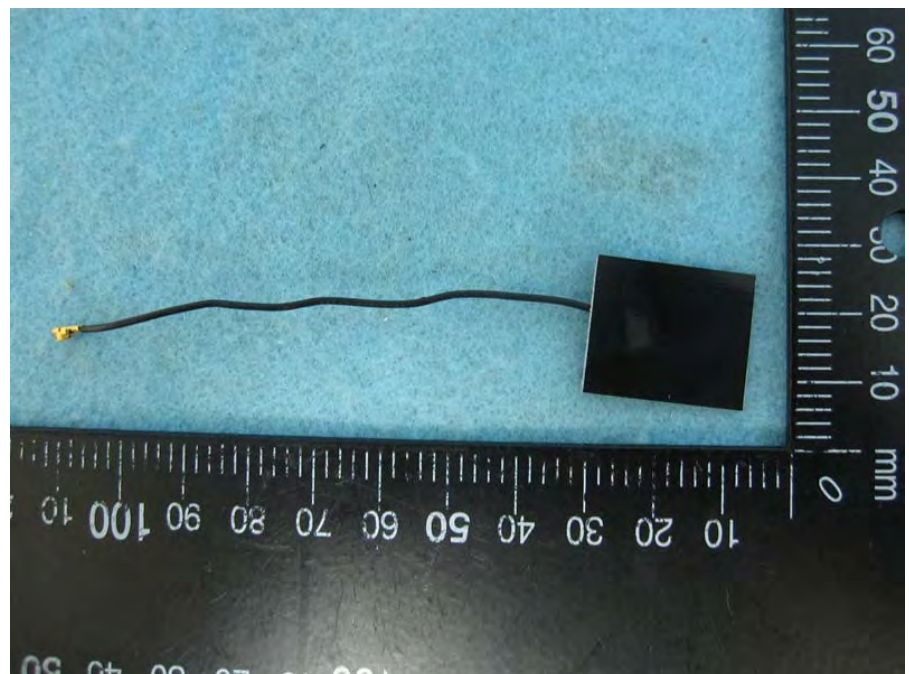

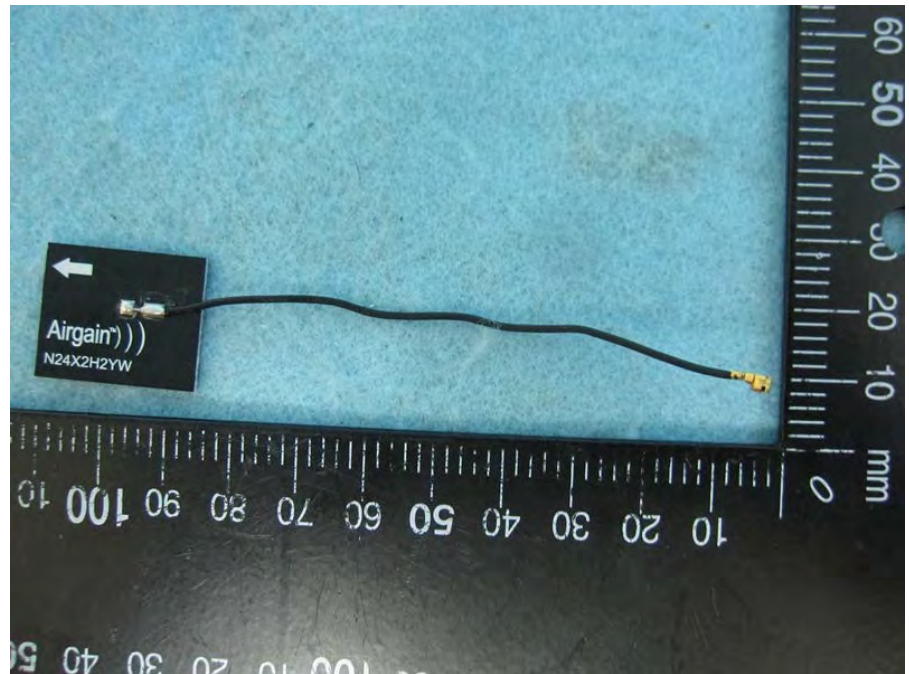

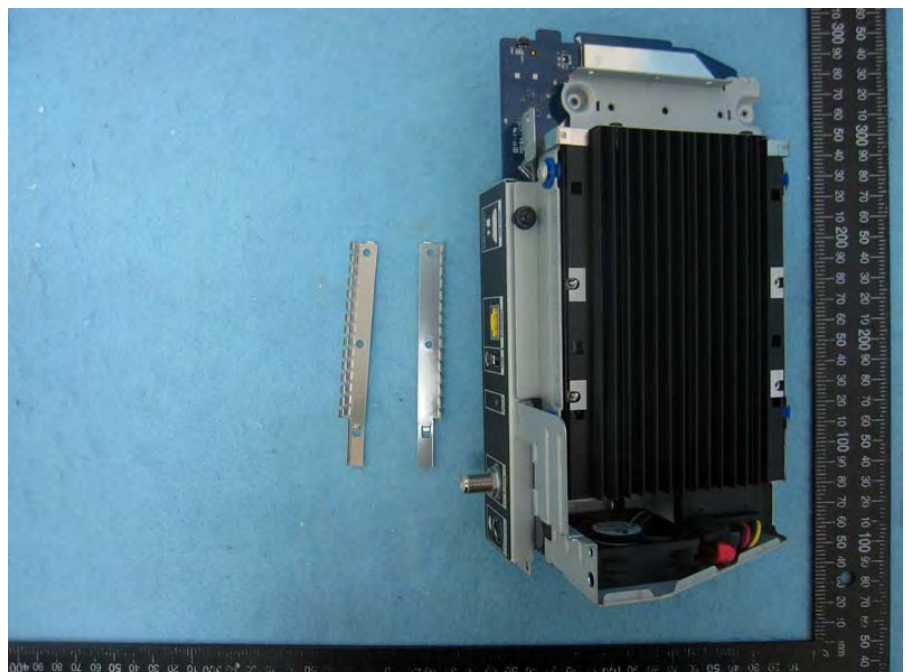

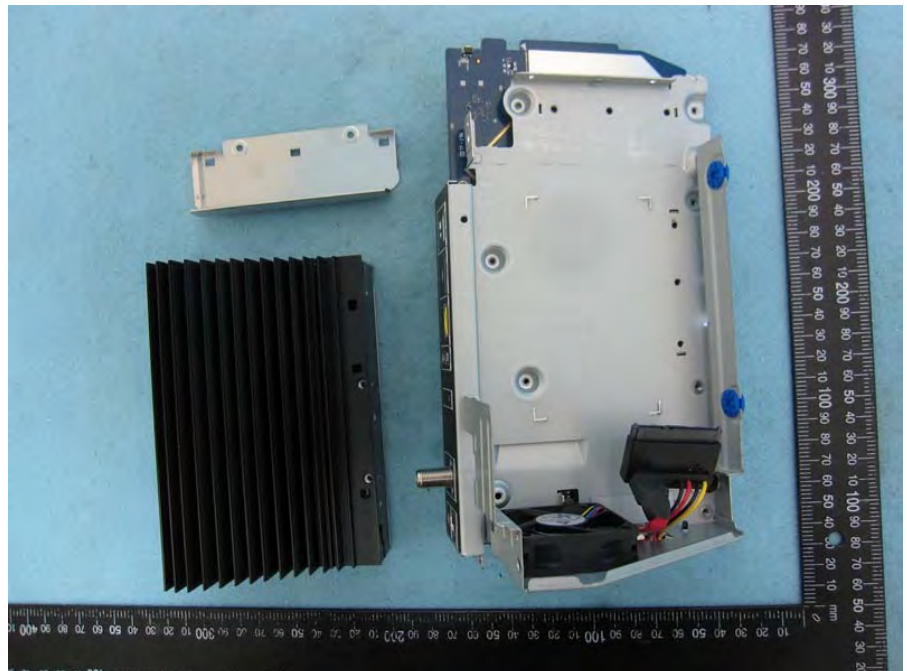

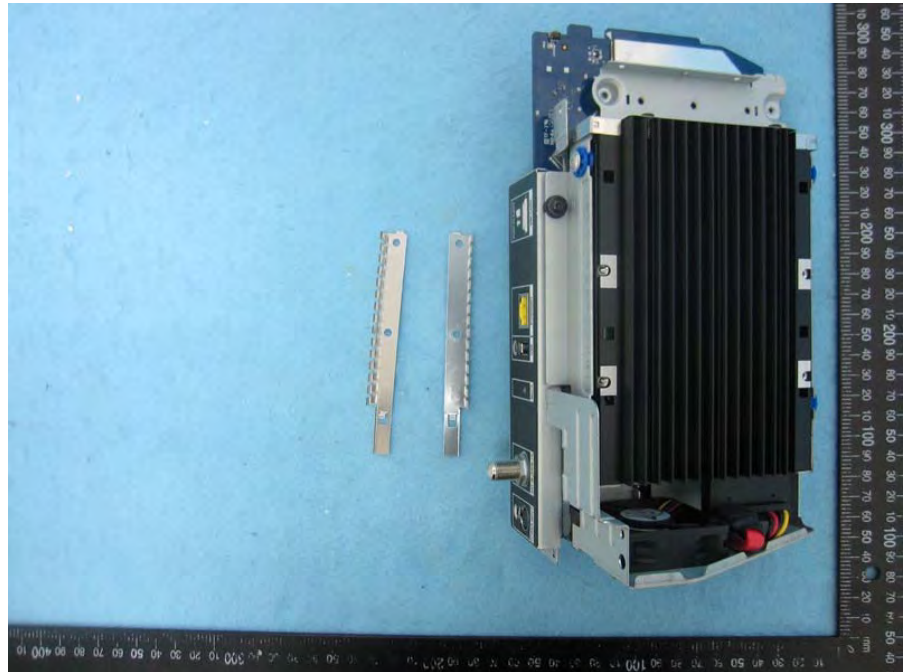

The image displays three electronic components on a blue background, with a ruler for scale. On the left is a black cooling fan assembly with multiple blades. In the center is a silver WD GreenPower 3.5-inch hard drive. To the right of the hard drive is a white SATA-to-USB adapter with two blue screws. A ruler is positioned vertically on the right side of the image, showing measurements in centimeters and millimeters.
