

A photograph of two dolphins leaping from the ocean's surface. The dolphins are captured in mid-air, their bodies arched as they move from left to right. The background features a vibrant sunset with a bright sun low on the horizon, casting a golden glow across the sky and water. The sky is filled with soft, wispy clouds, and the ocean's surface shows gentle ripples.

A photograph of two dolphins leaping from the ocean's surface. They are captured mid-air, with their bodies arched and fins visible. The background is a dramatic sunset or sunrise, with the sun low on the horizon, creating a bright glow and casting long, shimmering reflections on the water. The sky is filled with soft, golden clouds. The overall mood is serene and dynamic.
