August 21, 2002

RE: FCC ID: 07X-WAVE2
Attention: Greg Snyder

I have a few comments on this Application.

- 1 The antenna used during testing on June 24 and 25th was out of calibration as of June 13. Please provide a corrected report using a calibrated antenna.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
