

This introduction aims to give the required information using WCM-680D monitor.

Precaution

CAUTION

Please carefully read this instruction for safe use and best operation.

TEMPERATURE

Be sure the temperature inside the vehicle is between 0°C and +60°C before turning this unit on.

MAINTENANCE

If you have problems, do not attempt to repair the unit by yourself. Return it to your purchasing dealer.

LOCATION

Make sure the WCM-680D MONITOR not to be exposed to;

- Direct sun & heat
- High humidity
- Excessive dust
- Excessive vibration

DO NOT RAISE THE VOLUME TOO HIGH

Keep the volume at a level where you can still hear the outside noises while driving. Driving while unable to hear outside sounds could cause an accident.

DO NOT DISASSEMBLE OR ALTER

Attempt to disassemble may lead to an accident, fire and / or electric shock.

KEEP SMALL ARTICLES OUT OF THE REACH OF CHILDREN

Store small articles (screws etc.) in places not accessible to children. If swallowed, consult physician immediately.

WARNING

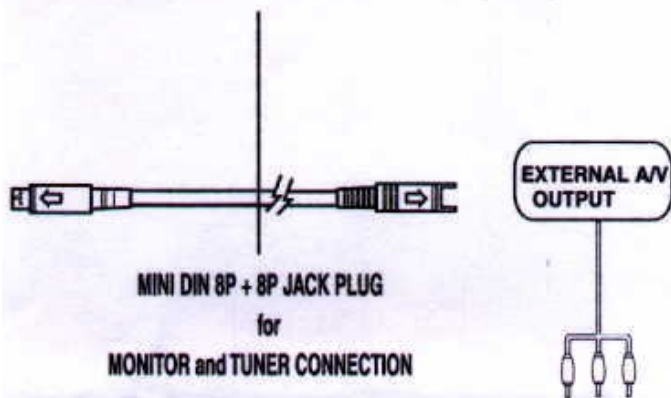

Do not watch TV when you drive a car. It will be a cause of traffic accident if you drive on giving a side glance with watching TV.

PLEASE READ THIS INSTRUCTION MANUAL COMPLETELY BEFORE OPERATING YOUR SET AND RETAIN FOR FUTURE REFERENCE.
