

Applicant: Handspring, Inc.

Permissive Change application to FCC ID: O8F-NYNY

This is the RF Exposure warning that will appear in the user manual for the Treo 270. At this time, a final manual for the Treo 270 is not available, however it will be very similar to the Preliminary Treo 270 manual included in this application.

This statement will appear towards the back of the manual with other regulatory and safety information.

(Note that this is the same statement that appears in the current Treo 180 and Treo G180 user manuals.)

Exposure To Radio Frequency Energy (SAR)

In order to comply with FCC RF exposure safety guidelines users **MUST** use a Handspring brand body worn accessory during body-worn operation. Use of accessories not provided by Handspring or that have not been tested for RF exposure compliance with this product may not comply with the FCC RF exposure safety guidelines and should not be used.

See <http://www.fcc.gov/oet/rfsafety/> for more information on RF exposure safety.
