FEDERAL COMMUNICATIONS COMMISSION
7435 Oakland Mills Road
Columbia, MD 21046

Subject: Request for Confidentiality Regarding FCC ID: O9C-SL1020B

To Whom It May Concern:

In accordance with § 0.459 of CFR 47, 3Com Corporation requests confidentiality for the following items:

1. Block Diagram (Exhibit 4)
2. Schematic Diagrams (Exhibit 5)
3. Operational Description (Exhibit 12)

These items contain detailed system and equipment description and related information about the product which 3Com Corporation considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, 3Com Corporation also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Any information for which 3Com has requested confidentiality, but which the FCC may not grant, should be returned to 3Com.

Sincerely,

A handwritten signature in black ink that reads 'Greg Hansen'.
