RE: Spireon Inc
FCC ID: O9YFLF2PL
FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Spireon Inc requests that the following documents regarding this submission for FCC ID: O9YFLF2PL be kept Long-Term confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Schematics.pdf
Operational Description	Operational Description.pdf
Part list	BOM.pdf
Tune-Up-Procedure	Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which Spireon Inc. considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Spireon Inc considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,
