M. Dittrich - 230

Form - Equipment Approval under FCC Part 15 - Reference No. 10585

**Radio Frequency Devices - Radar Sensor for distance measurement using the
FMCW radar technology within a frequency range 24,075 MHz - 24,175 MHz**

**Correspondence Reference No. 10585
FCC ID - OA6DXT
Confirmation No. EA95820**

Dear Mr. Fabina

thank you for the telephone conversation regarding the additional 5 days you allow us to upload the requested information correct via electronic filing.

In the manual we show on page 8/9 where we could place the FCC ID label and also a label about compliance statement.

In the attached document FCC Appendix 1 (originally sent in Oct. 99 / 25.01.2000) you find additional photos regarding design and application.

Thank you for your cooperation and your help in above mentioned matter
