Dear Madam, Dear Sir,

after receipt of an e-mail (copy attached) we checked the reason, why the \$ 1,075 fee is still due for payment. We got the message during a phone call with Ms. Bette Taube, that in our form we sent with courier on the 20. Dec. the authorized signature for the payment via credit card was missing.

Enclosed we send you the form again with the original signature.

Please excuse the mistake and contact us if you need additional information:
