Confidentiality Request (permanent) for Application with FCC ID: OAYARS5A

ADC Automotive Distance Control Systems GmbH is a 100% subsidiary of Conti Temic microelectronic GmbH ("Conti Temic") and is registered with the objective of development, manufacture, distribution and servicing of distance warning and control systems for the automotive industry at the local court of Kempten/Germany.

Conti Temic is in turn a 100% subsidiary of Continental Automotive Technologies GmbH, which is indirectly a 100% subsidiary of Continental AG.

Pursuant to Paragraphs §0.457 and 0.459 of the Commission's Rules (47 C.F.R.) and Section §552(b)(4) of the Freedom of Information Act, we hereby request **permanent** confidential treatment of the information accompanying this application as outlined below:

Exhibits

- Operational Description

The above material contains trade secrets and proprietary information not customarily released to the public. The public disclosure of this material may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

Rainer Steck
