Cover Letter Statement for Application with FCC ID: OAYARS6A

This filing covers a PC2 by adding a new variant to the given FCC ID. The changes implemented to the 2nd variant are affecting the connectivity only.

Variant 1: Connector side
Variant 2: Connector side customised

Changes have been made to the PCB to adapt the connector interface. The RF PCB part remains unchanged. The antenna design and the radio monitoring scheme has been adapted. The RF function and the radom are still same.

Both variants of the product have been tested to meet the requirements of the applicable rules of FCC as documented in the test reports provided.

Sincerely,

Rainer Steck
