Cover Letter Statement for Application with FCC ID: OAYSRR6A

This filing covers two mechanic variants of the given FCC ID. The changes implemented to the 2nd variant are affecting the connectivity only.

Variant 1: Connector side
Variant 2: Connector down

Changes have been made to the PCB to adapt the connector interface. The RF part remains unchanged, including antenna and radom.

Both variants of the product have been tested to meet the requirements of the applicable rules of FCC as documented in the test reports provided.

Sincerely,

Rainer Steck
