FAX : 82-2-887-2693

## LIST OF ACTIVE DEVICE

| NO | REF.NO                                | VALUE       | DESCRIPTION            | VENDOR    |
|----|---------------------------------------|-------------|------------------------|-----------|
| 1  | U201                                  | 24C02       | EEPROM IC              | ROHM      |
| 2  | U203                                  | AK2342B     | AUDIO IC WITH CTCSS    | AKM       |
| 3  | U205                                  | TDA7233D    | AUDIO AMP IC           | ST        |
| 4  | Q51                                   | BF998       | FET                    | PHILIPS   |
| 5  | D51                                   | BAR63       | PIN DIODE              | SIEMENS   |
| 6  | D50                                   | UPP9401     | PIN DIODE              | MICROSEMI |
| 7  | D52                                   | KDS226      | CHIP DIODE             | KEC       |
| 8  | D60                                   | RB706D-40   | SCHOTTKY BARRIER DIODE | ROHM      |
| 9  | D53 D54 D203                          | DAP202U     | CHIP DIODE             | ROHM      |
| 10 | D204                                  | SM12        | TVS DIODE              | SEMTECH   |
| 11 | U100                                  | TA31136     | IF IC                  | TOSHIBA   |
| 12 | Q66                                   | 2SC3356     | RF AMP TRANSISTOR      | NEC       |
| 13 | Q50 Q52 Q61 Q62 Q63<br>Q64 Q65        | 2SC4226     | RF AMP TRANSISTOR      | NEC       |
| 14 | Q59                                   | DTC114EUA   | SWITCHING TRANSISTOR   | ROHM      |
| 15 | Q53 Q54 Q55 Q67 Q80<br>Q200 Q204 Q206 | DTC114TUA   | SWITCHING TRANSISTOR   | ROHM      |
| 16 | Q69                                   | KTC3875     | NPN TRANSISTOR         | KEC       |
| 17 | Q68                                   | UMWIN       | COMPLEX TRANSISTOR     | ROHM      |
| 18 | U102                                  | MB15A02     | PLL IC                 | FUJITSU   |
| 19 | Q58 Q75 Q76 Q77 Q78<br>Q201           | DTA114EUA   | SWITCHING TRANSISTOR   | ROHM      |
| 20 | Q79                                   | KRA223S     | SWITCHING TRANSISTOR   | ROHM      |
| 21 | Q70                                   | KTA1505     | PNP TRANSISTOR         | KEC       |
| 22 | U101                                  | PF0350      | RF POWER MODULE        | HITACHI   |
| 23 | U206                                  | TK11450     | REGULATOR IC           | TOKO      |
| 24 | U204                                  | RN5VL45CV   | VOLTAGE DETECTOR IC    | RICHO     |
| 25 | U200                                  | UPD789405   | MPU IC                 | NEC       |
| 26 | U103                                  | VX-23VA     | VCTCXO                 | JRC       |
| 27 | X21                                   | 3.68MHz     | RESONATOR              | MURATA    |
| 28 | X20                                   | 4.19MHz     | CRYSTAL                | KONY      |
| 29 | X60                                   | 44.545MHz   | CRYSTAL                | KONY      |
| 30 | X61                                   | CDBC455CX24 | 455kHz DISCRIMINATOR   | MURATA    |
