Dear Mr. Dichoso,

Enclosed you find the detailed circuit diagram of our 315MHz receiver in which we added 7 blocks for the necessary block diagram. We hope you can work with it.

Best regards

Kayser
S. Kayser

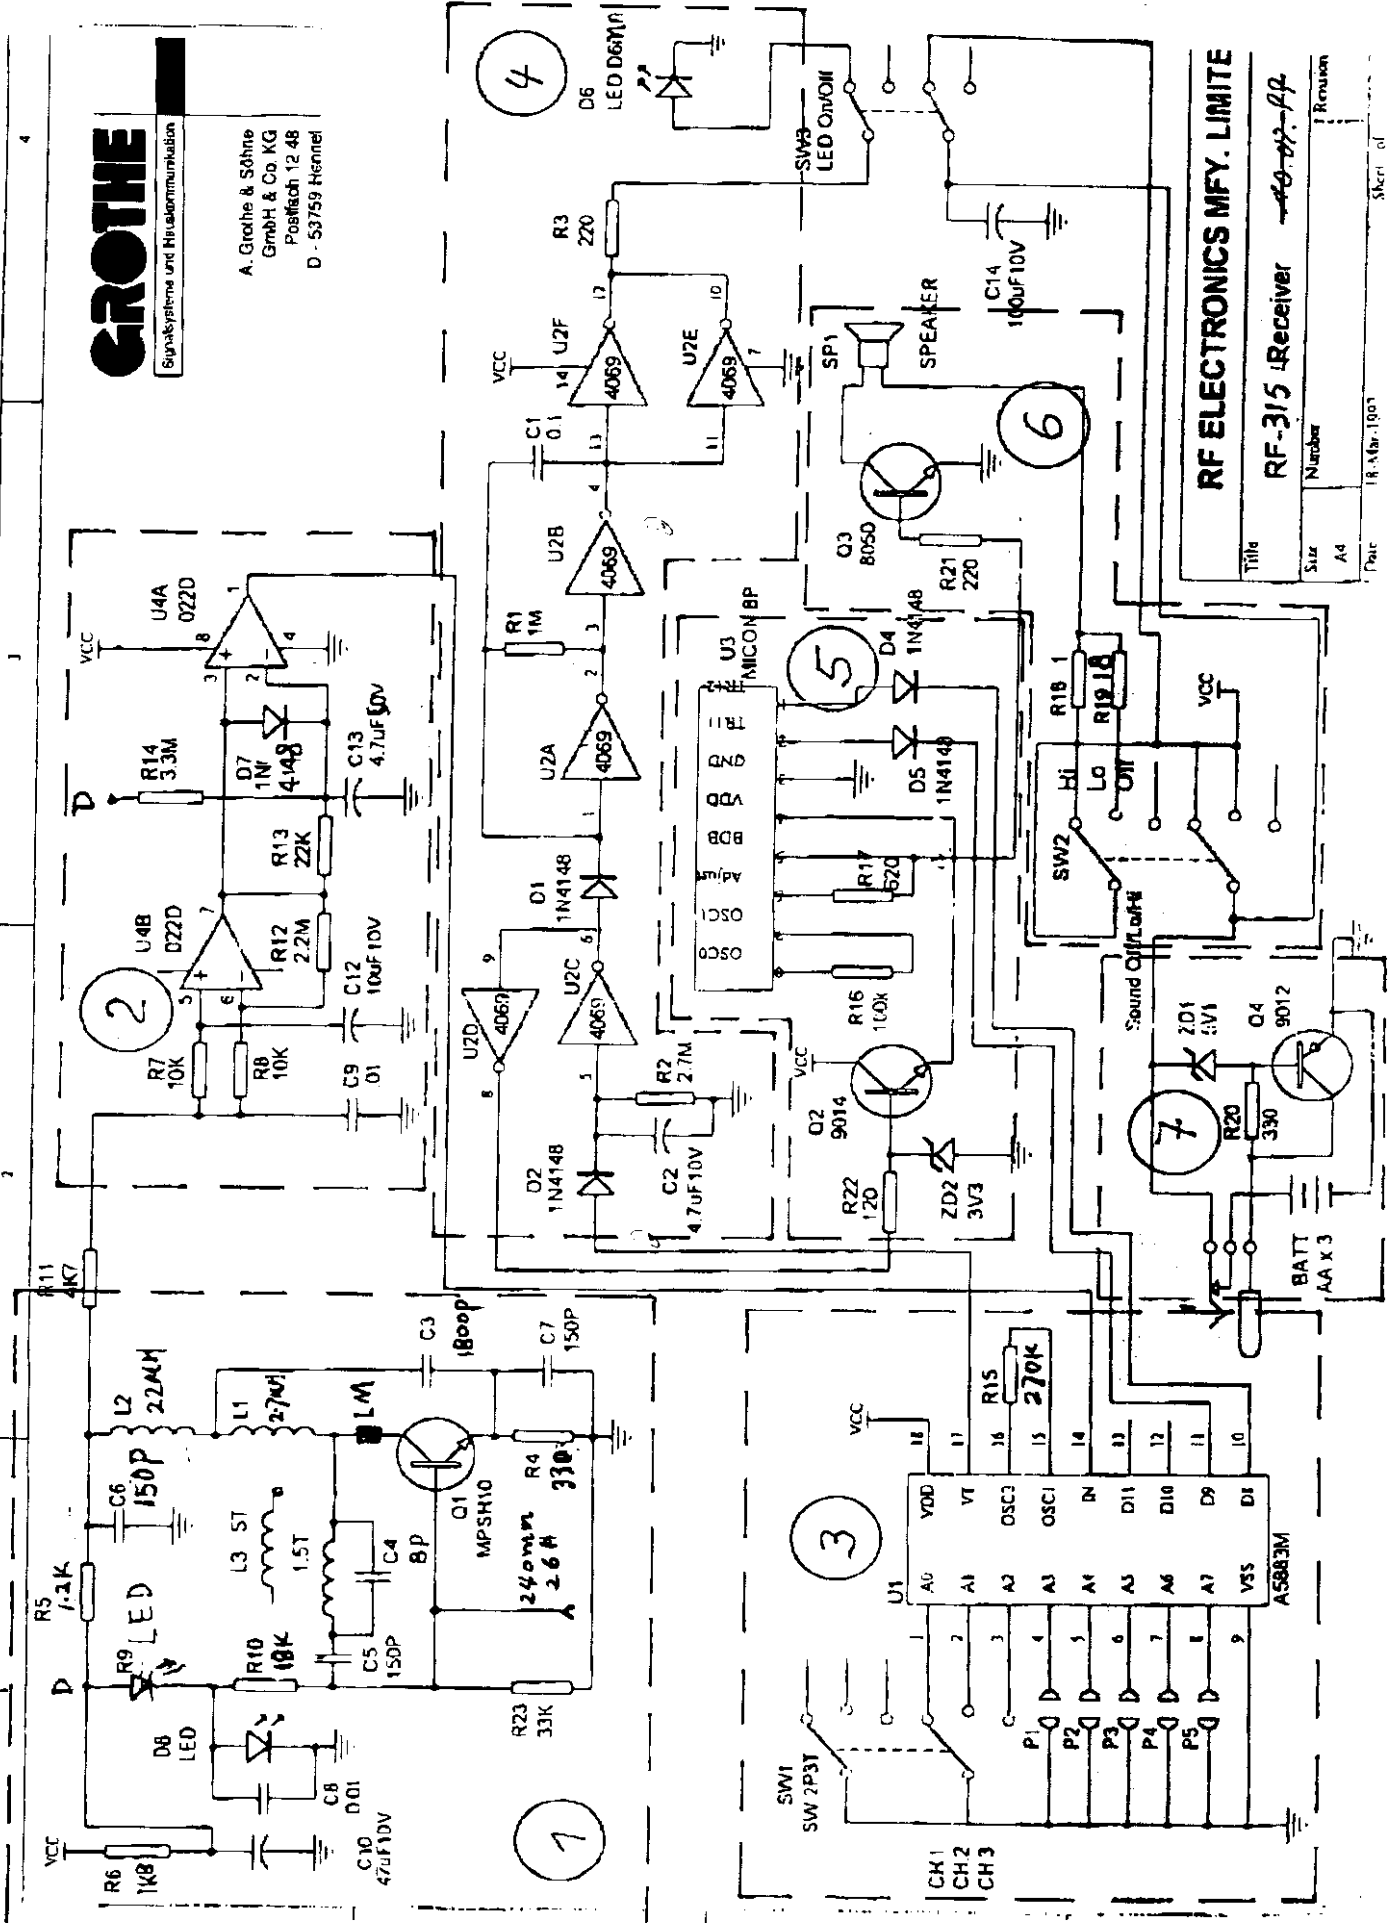

Block diagram receiver

- 1 oscillator / receiver
- 2 amplifier
- 3 decoder and code setting
- 4 trigger and LED timing
- 5 sound generator
- 6 volume setting and speaker
- 7 voltage stabilisation
