DECLARATION OF SIMILARITY

G4S Technology Limited, trading as AMAG Technology, declares that the following products:

884-KP-V4-S

884-KP-V4-DPD

884-KP-V4-OSDP

are identical with regards to radio performance and electromagnetic compatibility performance as product number:

884-KP-V4

that was tested and assessed by Element Material Technology Warwick Limited. All of the above products will be identified by the FCC ID: 0E5S884C.

All of the above products share the same circuit board and firmware. The differences are as follows:

Product	Difference
Ending ...-S, -DPD	These denote cosmetic differences for some customers, or regional markets where the label is different for regulatory purposes.
Ending ...-OSDP	These readers can also communicate with the control panel using the Open Supervised Device Protocol over RS-485.

Signed on behalf of G4S Technology Limited,

Mr Ian Williams
