Littleton, Massachusetts
United States of America

telephone: (978) 486-8880
fax: (978) 486-8828

Dear mr. Curtis,

We hereby request for a Class II Permissive Change for NoWiresNeeded model WB-S1100 and WB-C1100 (FCC ID: OGD10310308). This change will add 3 new antennas to the current grant.

The following pdf files are electronically submitted as attachments.

Ref.	Description
1	Cover letter
2	Completed Form 731
2	FCC test report
3	Antenna specification sheets
4	Maximum Permissible Exposure (MPE) Engineering Analysis
5	Completed and signed TCB agreement

The filing fee required for this request will be paid by credit card account.

In case any additional information or documents are required, please do not hesitate to contact me.

Best regards,

Derick Sariredjo
