Dear Examiner:

Applied Wireless Identifications Group, Inc. (AWID) is submitting this petition to avoid the possibility of any inadvertent disclosure of AWID proprietary information as a result of document submission to the Federal Communications Commission (FCC).

AWID hereby requests confidentiality with regard to the following documents in the filing package for equipment approval identified by FCC Identification Number: OGSM26EA and OGS26EA011 as provided under FCC Section 0.459.

1. Block diagrams
2. Schematic diagrams
3. Parts lists
4. Theory of operations
5. Tune up procedures

It is the opinion of AWID that disclosure of this Information will result in significant loss of market competitiveness, and revenue. Tune up procedures would reveal layout artwork that is essential to the operation of the transmitter section of the reader. This information should therefore be kept confidential.

Sincerely,

A handwritten signature in blue ink, reading "Roger J. Stewart", is written over a horizontal line.

Roger Stewart
Vice President of Engineering

With Kind Regards,
Roger Stewart Vice President – Engineering
