

Exhibit 2 FCC Label Format and Label Location

Exhibit 2 includes a drawing of the FCC Label showing it's format and a drawing showing the location of the FCC Label on the CELL-TRAC™ II.

TERION INC CELL-TRAC™ II FCC Label

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including
interference that may cause undesired operation.

The label location is shown in the drawing below. It will be located on the exterior of the CELL-TRAC™ II as shown.
