Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: OHCSXPAMP1
Original Grant Date: 09/27/2021
Applicant: smaXtec animal care GmbH

Dear Examiner,

This is to request a Class II permissive change.

The major change filed under this application is:

Rf path between transceiver and antenna was optimized by changing components values. This was done to reduce transmit current consumption but keeping the transmit power identical/within the tolerance range. See "20211110 Antenna path changes.pdf" for a detailed description.

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Stefan Rosenkranz", with a long horizontal flourish extending to the right.

Stefan Rosenkranz
