Re: Request for Confidentiality for Exhibits Submitted with an Application for Certification

Applicant: Trample B.V.
FCCID: OI6SYSTEMQG

To whom it may concern:

Trample B.V., respectfully requests the following documents be withheld from public inspection, under the provisions of §0.457 of the FCC rules:

Schematics, Technical description

This document has been physically separated from the rest of the application. The information contained in the schematics and technical description is required as part of the certification process. Disclosure of this information to the general public would reveal trade secrets and design concepts that are proprietary to Trample B.V.

For this reason, we respectfully request a Grant of Confidentiality be issued for the items listed above. If you have any questions, or require further information, please contact the applicant.

Sincerely,

K. Siersema
