September 21st 2004

To: TUV Rheinland of North America,

Dear Sirs,

We would like to apply for a TCB Grant for the following equipment:.

Mobile IPTouch 300 (new FCC ID: OL3IPT300)  
Mobile IPTouch 600 (new FCC ID: OL3IPT600)

The above equipment was previously issued a TCB Grant under FCC ID numbers:

IYGSNP2400 issued June 2003  
IYGRNP2400 issued June 2003

The Mobile IPTouch 300 and 600 are identical to the SNP240 and RNP2400, the only change is to the name on the phone and the FCC ID number.

The original test reports and data submitted continue to be representative of and applicable to the equipment bearing the changed identification.

Regards,

Rainier Baltz
