Ref: FCC Class II Permissive change for FCC ID: OMC453584V
Applicant: iFIT Inc.

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: OMC453584V originally granted on 05/11/2024(date).

The change under this application is to the appearance of model MP24-Xenon1.2-V has been changed. with a 15mm increase in the width of the product's front frame and a corresponding 15mm increase in the black area (non touch area) of the capacitive screen. A LOGO and NFC mark silkscreen has also been added to the widened black area of the capacitive screen. Three nuts with M3 specifications have been added in the rear cover top side. Some circuit function model have been cancelled, such as microphones and cameras.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,

Name: Brayden Wernli
