Confidentiality Request

Carlson Wireless Technologies, Inc. respectfully requests confidentiality of certain materials provided with the submission of the Class II Permissive Change application for FCC ID OPA-RC2-BS in accordance with FCC Regulations 0.457(d) and 0.459.

This confidentiality request applies to the following documents and its exhibits:

- Operation Descriptions (Security Description)

The RuralConnect II radio has been developed at considerable effort and expense by Carlson Wireless Technologies, Inc. The information contained in the document is considered company internal and confidential. Public access to proprietary material could possibly result in duplication of certain parts of the radio equipment that could severely damage the company's business advantage.

Thank you for your understanding in this matter.

Sincerely,

James Carlson
CEO & President
