Cover Letter

Class II Permissive Change Part 15 Subpart H, Television Band Devices

The Form 731 Application for a Class II Permissive Change and supporting documentation is being submitted by Carlson Wireless Technologies, Inc. Carlson Wireless has tested with both the Google and iconectiv (Telcordia) databases and has demonstrated compliance with Part 2 of the Certification Test Procedures for TV Band (White Space) Devices Authorized under Subpart H of the Part 15 Rules. The Rural Connect II radio system conforms to the Google and iconectiv TV bands database API and the communication security methods used by the databases. There have been no other changes made to the electronics as previously certified.

Sincerely,

James Carlson
