

A photograph of a silver electronic device, possibly a power supply or a component of a larger system. The device has a rectangular shape with a brushed metal finish. A transparent, curved protective cover is attached to the front, revealing internal components. The cover is held in place by a small metal pin. To the right of the cover, the text "FCC ID:OP0199909010003" is printed in black. The device is mounted on a metal frame, and a black cable is visible at the bottom right.

FCC ID:OP0199909010003
