

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front view of a black, rectangular electronic device (EUT) labeled "PDW-700" and "PROformance". The device has a small screen and a coiled cable attached to the top. It is placed next to a ruler for scale. The ruler shows centimeters from 1 to 29. The device is approximately 10 cm high and 5 cm wide.
EUT View 2	 A photograph showing the back view of the same black, rectangular electronic device (EUT). The back features a large, rectangular, recessed area, possibly a battery cover or a sensor array. It is placed next to a ruler for scale. The ruler shows centimeters from 1 to 29. The device is approximately 10 cm high and 5 cm wide.

EUT View 3	 A black, rectangular electronic device, identified as a PDW-700, is shown from a top-down perspective. It has a small, square screen in the center. A thin black cable is connected to the top of the device. The device is placed on a light blue surface. Below the device is a metal ruler with markings from 19 to 33 cm.
EUT View 4	 A black, rectangular electronic device, identified as a PDW-700, is shown from a side perspective. It has a small, square screen in the center. A thin black cable is connected to the right side of the device. The device is placed on a light blue surface. Below the device is a metal ruler with markings from 19 to 38 cm.

EUT View 5	 A black, rectangular electronic device, identified as a PDW-700 Performance unit, is shown from a top-down perspective. It has a small, square display screen in the center. A black cable is plugged into the bottom left port. The device is placed on a light blue textured surface. Below the device is a metal ruler with markings from 16 to 34 cm.
EUT View 6	 A black, rectangular electronic device, identified as a PDW-700 Performance unit, is shown from a side-on perspective. It has a small, square display screen in the center. A black cable is plugged into the left side port. The device is placed on a light blue textured surface. Below the device is a metal ruler with markings from 2 to 33 cm.
