Re: FCC Form 731 Application for an Original Equipment Certification and
Request for Confidentiality.

Dear Sir/Madam:

On behalf of Prodigy Marketing Inc. dba AF CommSupply ("AF CommSupply"), submitted herewith is an application, on FCC Form 731, for an original equipment certification pursuant to Part 15 of the Commission's Rules and a request for confidential treatment of the application.

Please note that the application fee includes the amount of \$135.00 for Fee Type Code "EBC" for a request for confidentiality. Applicant requests confidential treatment of the technical information in support of this application pursuant to Section 0.459 of the Commission's Rules. Confidential treatment is sought because disclosure of this information could result in competitive harm to the applicant. This product is now in the pre-marketing stage and applicant does not wish the information contained in the application to fall into the hands of competitors prematurely.

The enclosed check in the amount of \$1120.00 covers the requisite filing fees for the equipment certification application (\$940 for Fee Code "EGC"), the request for confidentiality (\$135 for Fee Code "EBC") and the assignment of an applicant code (45.00 for Fee Code "EAG") .

Questions regarding this filing should be directed to the undersigned at (202) 371-6060.

Respectfully submitted,

Thomas J. Keller
