Dear Mr Lyles,

On behalf of our customer Intersil Corporation, we hereby would like to answer on your e-mail of August 12, 2003 with correspondence reference 25580.

General information

FCC ID : OSZ39000M
Brand : Intersil
Model number : ISL39000M
Description : 2.4/5 GHz IEEE 802.11g/a WLAN MiniPCI card

The following PDF files (exhibits) are electronically submitted with this response:

1. This letter.
2. the requested updated Test report(s) in conformity with 47 CFR Part 15 now containing the requested plots as requested in your item 1

In response to your item 2 we would like to request to be granted a Limited Modular Approval (LMA) for this Device. The usage of this transmitter will be limited to the following specific device: TOSHIBA SATELLITE PRO, (model PS610E-029ZV-DU). The device OSZ39000M is intended to be factory-installed in one specific host and is not intended to not be interchanged between host by the end user.

Further to your e-mail, item no 3 and 4, we would like to emphasize that operation with lid closed on a persons lap is both a wanted and intended user configuration. Please consider the provided SAR test report (electronically submitted as exhibit on July 15th 2003) as the required report.

We hope this resolves all open issues.

Best regards,
TNO Electronic Products & Services (EPS) B.V.
