Re: GE Marquette Medical Systems
Application for Equipment Authorization
Request to Amend a Pending Application
Confirmation No. EA99682

Dear Gentlemen:

Transmitted herewith, on behalf of GE Marquette Medical Systems, is a request to amend a pending application filed electronically on Friday, January 5, 2001, for a new Part 95 authorization for a wireless medical telemetry device.

The purpose of the amendment is to request a change in the FCC Identifier listed in the original application from OU5XXXXXX to OU5418500-APRO.

There is no fee associated with the filing of this request.

Should there be any questions regarding this request, please contact Darryl Richard of this office.

Very truly yours,

George Y. Wheeler
