

GE Medical Systems Information Technologies Inc.

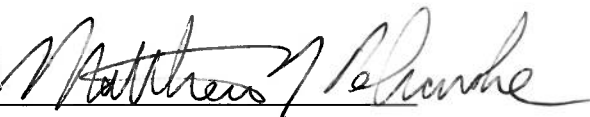

Confirmation Letter

WE, GE Medical Systems Information Technologies Inc.
The product: PCSW6 Module
And model No.: PCSW6
FCC ID: OU5PCSW6

We declare that the PCSW6 module software and associated drivers comply with DFS regulations by ensuring no transmission initiation on DFS frequencies occurs independently. The system operates only in Infrastructure STA mode on DFS Channels and cannot be configured as a Master, Access Point, ad hoc, or peer-to-peer initiator in the DFS bands.

Best Regards
